IC 75-4526
23 December 1975

MEMORANDUM FOR: Deputy to the DCI for the Intelligence
Community

THROUGH: Chief, Product Review Division

SUBJECT: National Nervous System

On Wednesday, 17 December, I had lunch with Col Clint Granger of the NSC Staff. He said that the letter transmitting the survey forms to collect information on the national nervous system was awaiting the signature of General Scowcroft. He suggested a phone call by you to General Scowcroft might be useful.
